

REMARKS

In response to the above-noted Office Action, Applicant has cancelled Claims 1 and 2 and amended Claims 3-5 to depend from Claim 6. In the Action, Claim 1 is rejected under 35 USC 102(e) as being anticipated by Wong et al. However, the Examiner has indicated that Claims 2-5 if rewritten in independent form including all of the limitations of the base claim and any intervening claims would be allowable, and Claim 6-13 are allowed. In this connection, Applicant submits that Claim 6, which incorporates the limitations of cancelled Claim 1 and 2 places Claims 3-5 in condition for allowance.

In view of the foregoing, Applicant submits that the claims pending for examination, namely, Claims 3-13 are now in condition for allowance, which early action is requested.

If there are any fees due in connection with the filing of this response, please charge those fees to our Deposit Account No. 02-2666. If a telephone interview would expedite the prosecution of this Application, the Examiner is invited to contact the undersigned at (310) 207-3800.

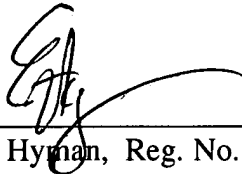

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR, & ZAFMAN
